

**About the Hewlett Woodmere Public Schools Endowment Fund (HWPSEF)
*STEAM in the Street Festival September 25, 2016, (rain date October 9, 2016)***

Who Are We?

The festival is planned, programmed and run by the Hewlett Woodmere Public Schools Endowment Fund (HWPSEF). The HWPSEF is a non-profit, voluntary community-based organization. This year's festival will be held on Broadway from Irving Place, Woodmere, NY to the Hewlett Woodmere Public Library, 1125 Broadway, Hewlett, NY, from 10 to 5PM.

Why We Do It?

The purpose of the HWPSEF Festival is to bring people together to celebrate the richness of our area. Although this event centers on children, it is also a time to build community pride, respect and awareness. Participants will enjoy seeing demonstrations from Inventors, Makers, Innovators, Games, Pumpkin painting, Art and Music, County and Town Health and Safety Programs, Community Garden, Great food, Long Island craft vendors, and children's dance and music demonstrations.

Benefits To The Community

- Opportunities to showcase local talent of all ages. This includes music, visual art, science and technology and a wide variety of community makers and innovators
- Enhancement of the image of Public School Districts in Nassau County region. This benefits businesses, organizations and the community as a whole.
- Creates youth leadership and opportunities for youth to take part in the community in positive ways.
- Entertainment and social opportunities for all ages in the community.
- Increased volunteer involvement and development in Hewlett Woodmere.
- Opportunity for community members to see service providers and businesses working collectively on a community-building event.
- Pride in community and a sense of belonging
